States that to the best of my knowledge the information contained in this application, together with plans and any other information are a true and complete statement of the proposed work to be done at the indicated location. All work shall be performed in compliance with the New York State compilation of Building Codes and any laws, rules and ordinances governing this jurisdiction. All work performed under this permit is authorized by the owner of record of the described property.

Either the applicant or owner shall apply for and obtain a Certificate of Occupancy or Compliance before occupying or using the structure described in this permit.

The Town of Hancock Code Enforcement Office assumes no responsibility for the location of any structure, well, septic or system to be placed within the boundaries of the designated property on this permit. It is the responsibility of the landowner or agent to be sure they are aware of the property lines, or hire a licensed professional surveyor.

Signing this application authorizes the Code Enforcement to enter this property until permit is closed.

No application will be accepted without the appropriate fee.

Any application without a fee will be returned to the applicant.
